TREASURY ANNOUNCES DEBT BUYBACK OPERATION

On August 17, 2000, the Treasury will buy back up to \$1,500 million par of its outstanding issues that mature between November 2021 and November 2026. Treasury reserves the right to accept less than the announced amount.

This debt buyback (redemption) operation will be conducted by Treasury's Fiscal Agent, the Federal Reserve Bank of New York, using its Open Market operations system. Only institutions that the Federal Reserve Bank of New York has approved to conduct Open Market transactions may submit offers on behalf of themselves and their customers. Offers at the highest accepted price for a particular issue may be accepted on a prorated basis, rounded up to the next \$100,000. As a result of this rounding, the Treasury may buy back an amount slightly larger than the one announced above.

This debt buyback operation is governed by the terms and conditions set forth in 31 CFR Part 375 and this announcement.

The debt buyback operation regulations are available on the Bureau of the Public Debt's website at [www.publicdebt.treas.gov](http://www.publicdebt.treas.gov).

Details about the operation and each of the eligible issues are given in the attached highlights.
